

**Disc Golf Alliance**  
with **Innova Discs** and **99.5 KISS**  
present the  
**7<sup>th</sup> Annual Live Oak Summer Open**

The 2009 Live Oak Summer Open Disc Golf Tournament will be held in Live Oak City Park, Live Oak, Texas, and Universal City Park, Universal City, Texas on July 11-12, 2009.

This Professional Disc Golf Association "B" Tier event has averaged over 125 players for the last three years, and has included some of the top rated players in the world. During that span, the Live Oak Summer Open, LOSO, has been a top 10 "B" Tier event in the United States. This year, with the addition of 99.5 KISS radio, we expect considerably more exposure and we are planning for over 200 players.

The Live Oak Disc Golf Alliance manages the event and its membership is composed of players from Live Oak, Universal City, Schertz, New Braunfels, Gonzales, San Antonio, and Bandera. In addition to running leagues throughout the year and the expansion and promotion of disc golf as a sport, LODGA has also taken part in a variety of charity events such as a Stuffed Animal Drive for the Live Oak Police Department, a food drive for the Live Oak Fire Department, Turning Point Park Day and many other community service activities.

Last year we had over 30 sponsors including Austin's Waterloo Disc Golf Club, Round Rock Disc Golf Club, Innova Discs, Millennium Discs, Twisted Flyer, Third Coast Disc Golf Club, Nick's Sports, Cavender Toyota, Saturn of San Antonio, and the Circle 786 Ice House.

This is an excellent opportunity to show your support for Live Oak Disc Golf, and showcase your business or club. Live Oak is nationally known for the quality of its courses and events. Your cash or merchandise sponsorship will allow us to put on a quality event and to offset the costs for running an event of this scale.
